Psalms 118:22-25

22 The stone the builders rejected
has become the capstone;
23 the LORD has done this,
and it is marvelous in our eyes.
24 This is the day the LORD has made;
let us rejoice and be glad in it.
25 O LORD, save us;
O LORD, grant us success.

The stone the builder rejected is Jesus. Israel rejected their savior and He has been lifted up to be the King eternal, the capstone. We recognize how marvelous Jesus is and we are amazed by Him. Many days, we miss the way to start the day as the Psalm teaches us. God has made each day and they are a gift of life to us. Yet we don't always rejoice in the day. We miss the chance to celebrate Jesus and the gift of the new day to bring glory to the Lord.

What would the day be like if we each started the day recognizing the greatness of Jesus. Rec-

ognizing He is the one who saves us and asking Him to give us success in our day. What an awesome way to start the day. I think it might help us not face the day discouraged, hopeless or grumpy. How do you see this new day.

I pray that at CrossBridge Church we would be a people who see Jesus as the beginning of our day and give Him praise. Oh, that we would celebrate each day as a gift and ask the Lord for success in the day. I believe it will make a difference in the way we approach the day. In Christ's Love,

Pastor Kevin

P.S. We praise God that the zoning committee gave us the go ahead to start the youth center. Thanks for your prayers. God has been good to us!

Prayer Note

Please be in prayer for the team coming from Mississippi to work on the Cross-Bridge Church and youth center.

I am so excited for what God has in store for us this coming year. During this season, I have been working through possible materials for the fall, as well as looking into fall outreach events. There is much to be done in preparing for the launch of the youth center, and in laying more ground work for the ministry God will bring our way this year. Please continue to pray for the preparation of the youth center. Finishing the bathrooms is one of the final pieces we need to have in place to be operational. We want to do this well, and may need to replace some of the pieces with the bathroom to be properly ADA compliant. I will have more news on how meetings with the zoning commission went with the next newsletter. The meeting is on the 20th of June.

Thank you all again for your continued prayers. Your incredible support of the ministry God is doing at CrossBridge has been such a blessing to all of us. I cannot begin to tell you how amazing it has been to watch God grow this family, and how much I look forward to watching that continue. God has been doing some incredible work in people, and has taught me so much about serving Him here. God has richly blessed us this year, and has reminded us time and time again of His intense love for us.

In Him,
Kurt Andree
